Bonner parents,

Online registration for the 2020-2021 school year begins today, Thursday, April 16th, 2020. All students enrolled in CCSD must have their online registration completed EVERY YEAR.

To complete this process, you must know your child's student number and be able to log into Campus Portal. Your child's teacher can provide you with their student number, but if you need help logging into Campus Portal, call 702-799-7678.

You can register online via this link: <https://campus.ccsd.net/campus/portal>

Once you have completed your online registration, please send an email to our Clerk, Cari Fields, at coonscm@nv.ccsd.net with:

1. Your registration confirmation number
2. A copy of your power, water or gas bill that shows the service address, so that we may verify your address.

Additionally, if your child attends Bonner on a zone variance, you will also need to complete the attached zone variance form for each child who attends Bonner and include it in your email to Cari. Please note: submitting a zone variance does not guarantee continued enrollment at Bonner, as we must consider the reason for the request, the total number of requests for zone variances, and the effect of the request on our school, as well as the zoned school.

Once you have emailed all of this information to Cari, feel free to complete the form below to submit your teacher preferences for the 2020-2021 school year. The form requires you to provide your first and second choice AND a brief description of what kind of learning environment/instructor you believe your child needs. Please do not list the same teacher as your first and second choice. Please do not email your requests to me, as we have done in the past. The form will be what we use to track recommendations this year can be accessed via this link:

We cannot guarantee all requests will be met but we do take them into account and work hard to create balanced classes that meet the needs of all learners. Please note that several teachers are looping up to the next grade level with their classes. You can access a list of our 2020-2021 teachers via the link below:

We are pleased to provide preschool for children ages three, four and five within our community. This unique experience provides age-appropriate preschool instruction for the children, while being included in a learning environment with preschool and/or kindergarten students with disabilities. This opportunity will enable your child to receive valuable preschool instruction, as well as provide the students with disabilities, age appropriate role models.

We are looking for children who demonstrate age-appropriate language and behavior. The children must be potty trained and must have demonstrated that they are able to be away from home for at least one half day. Parents will be required to transport to and from school and ensure that consistent attendance occurs with the exception of illness.

The program will be offered Monday–Thursday, 8:00am–10:30am and 11:40am–2:11pm. Ms. Lloyd and Ms. Natoli provide instruction to the students and they are assisted by two instructional assistants. Enrollment is limited in an effort to maintain an appropriate class size. Students will be selected through a “lottery” system. If your child is selected, registration is required and updated immunization records and original birth certificate must be provided. If you are interested in your child participating in this learning experience, complete this form not later than April 24th, 2020. The drawing of names will be conducted and you will be notified if your child is selected by April 30th. Unfortunately, we will not be able to notify you if your child is not selected.

Complete your Pre-K lottery entry here: <https://forms.gle/nqgsTEAQRZYtbSfa7>

Thank you,
